
An XML editor and viewer for the Rinzo browser. Can be used to edit the existing XML files, it can also read the XML files and display their contents. Using Rinzo XML Editor, you can display a list of elements in XML files; you can insert, delete or modify them; save the changes to disk; and send back the changes to the browser. Rinzo XML Editor is a standalone application, it is not a Firefox addon, it can be used with any browser you want (even with any browser add-ons, it does not depend on them). As you can see, Rinzo XML Editor is a very handy tool. All you need to do is to use it. Recommended Requirements: * XP SP3, XP SP2, Windows XP Professional x86 (32-bit), Windows XP Professional x64 (64-bit), Vista, Vista Ultimate (64-bit), Windows 7, Windows 8, Windows 8.1, Windows 10 Build your global brand like never before with 123RF's vast and ever-growing library of stock photos, vectors, illustrations and more. To help you grow your business or brand, 123RF uses the money you save to fund free educational and hobbyist content, including blogs, videos and photos, for all to use. Get your company noticed with unique logos that impress your clients, inspire your employees and get you seen. Only at 123RF, you can build your own logo library, then access it via the web, or download the app for Windows, Mac or iOS. 123RF's Business Suite includes 123RF's Professional license, which offers all features of 123RF's 123RF Stock Library, including unlimited design templates and no attribution, plus a single-user personal license, which includes the gallery and usage terms. Marketplace Premium Features Export to PDF or other formats for free Export your design as a PDF for free! Get your design to the point of prototyping without investing in commercial printing costs by exporting it directly to PDF. Perfect for presentation and print. Share your design on social media, email, or embed your design into your website. Preview and play around with your design in the free 123RF Cloud app. Download your designs in multiple formats. Choose between a single document, a folder of documents, or an export to URL. Personal License Features No attribution Create custom design templates for any 70238732e0
